

**Non-Profit Ticket Application
Butterflies & Blooms Exhibit**

Green Bay Botanical Garden is excited to announce an opportunity for area non-profit organizations and the people they serve to experience Butterflies & Blooms, a live butterfly experience showcasing native pollinators and the plants they love through our non-profit ticketing program. The exhibit debuts at the Garden on Saturday, June 1 and will be open daily from 10 am-5 pm through Friday, August 31.

Surround yourself with friendly pollinators in our first-ever interactive butterfly house. This immersive butterfly house features a variety of butterflies found in Wisconsin and gives visitors of all ages a chance to experience their beauty up close. Learn about their important role in nature, their crucial role in our ecosystem and how you can best support them in your own backyard.

Non-profit organizations wishing to apply for consideration please submit the application form below. **Submit your application via mail or email by May 3, 2019. We will notify selected recipients the week of May 6, 2019.**
