### **Camp Guidelines:**

- **Age Limits**  
All campers must be the appropriate age before the start of their camp session.
- **What to Bring**  
Campers will spend their time both indoors and outdoors during camp programs. Your child should wear clothes that are comfortable for indoor activities and hands-on, occasionally messy fun. We strongly recommend that campers bring a water bottle to stay well hydrated. Campers may wish to bring a backpack to carry extra clothing and take projects home.
- **Weather**  
Camp GBBG utilizes the natural environment of the Garden as much as possible during each session. Your child will spend the camp day both indoors and outdoors when weather permits. Please send campers with the appropriate clothing depending on the weather forecast.
- **Snack**  
We provide a healthy, peanut-free snack for all camp attendees. If your child has food allergies, please make us aware upon registration. We regret that we are unable to provide special snacks; if your child has food allergies that may prevent him from consuming the provided snack, please pack an alternative.
- **Lunch (full-day camps only)**  
Please send a peanut-free lunch for your child that does not require refrigeration. Campers will eat lunch together during our supervised lunch break.
- **Special Health Needs**  
If your child has special health needs, please make us aware upon registration. It is the parent's responsibility to provide all necessary information to the Garden prior to your child attending camp.
- **Accessibility**  
GBBG's Fischer Visitor Center and most of the grounds are ADA-compliant. Handicapped parking spaces are available in the parking lot.
- **Staffing**  
In order to provide the best possible experiences for your children, outdoor camps are limited to 20 campers, while cooking camps have a limit of 10 campers. Camps are led by Green Bay Botanical Garden staff with assistance from interns and volunteers. Please plan to register early.

### **Parent Information:**

- **Medical & Consent Forms**  
Please complete the Camp GBBG Medical & Consent Form and return with your registration. These forms are used in an emergency and to identify any special needs such as allergies and asthma, as well as to identify who is authorized to pick your child up from camp.

- **Photo Release**

By registering for Camp GBBG, parents/guardians consent that children may be photographed and that the photos may be used in future Green Bay Botanical Garden publications and promotions. Please check the photo consent portion on the Medical & Consent Form.

- **Drop Off / Pick-Up**

Campers should arrive at the Fischer Visitor Center 10-15 minutes prior to the start of camp. Groups will leave the Fischer Visitor Center promptly at 9:30 am each day. If a child misses the departure of his group, it is the responsibility of the parent to escort their camper to the appropriate location for the day. Campers should be picked up in the Fischer Visitor Center promptly at the end of camp.

- **Cancellation Policy**

Cancellations can be made up to 2 weeks prior to the start of camp. A \$10 administrative fee is charged for all cancellations, the remainder will be refunded to you. No cancellations or refunds are available with less than two weeks notice. If camper must cancel for medical reasons, full refunds are provided. To cancel, please call 920.491.3691 ext. 107.
