

Non-Profit Ticket Application Washed Ashore Exhibit

Celebrate Green Bay Botanical Garden's 25 birthday! We are excited to offer an opportunity made possible by a grant from the following funds within the Greater Green Bay Community Foundation: Edward Dhooge Charitable Unrestricted Fund, Mentges Family Fund, and Derenne Family Fund for area non-profit organizations and the people they serve to experience Washed Ashore. Eight vibrant, larger-than-life sea animal sculptures created from ocean debris. Powerful art to spark positive change! The exhibit debuts at the Garden on Saturday, May 8 and will be open daily from 9 am-8 pm through Tuesday, August 31, 2021 and 9 am-6:30 pm, September 1-26.

With the mission to educate people of all ages on the rise of plastic pollution in our oceans and waterways, Washed Ashore helps spark positive changes in your daily habits with water and waste.

Green Bay Botanical Garden is the first and only venue in Wisconsin to host Washed Ashore and will feature the sculpture debut of Stanley the Lake Sturgeon. Come discover how plastic pollution affects freshwater and all life connected to our own Great Lakes!

Non-profit organizations wishing to apply for consideration please submit this application. **Submit your application via mail or email by April 30, 2021. We will notify selected recipients the week of May 10, 2021.**

Application Date:	
Number of attendees (up to 25 admission passes):	
Applicant Organization Name:	
<i>(Must be a non-profit with 501(c)(3) status)</i>
